Re: Docket No. T-03940A-00-0771 - Application of Dynamic Telcom Engineering I, LLC for a Certificate of Convenience and Necessity to Provide Resold and Facilities-Based Telecommunications Services Throughout the State of Arizona

To Whom It May Concern:

Enclosed on behalf of Dynamic Telcom Engineering I, LLC ("DTE") are an original and ten (10) copies of DTE's responses to the Commission's request for additional information in the above-referenced docket. Please date stamp the extra copy of this filing and return it in the self-addressed envelope provided. If you have any questions, please do not hesitate to contact John Beahn at (202) 371-7392.

Respectfully Submitted,

John Beahn

Counsel to Dynamic Telcom Engineering I, LLC

Request No. 1:

Please provide the projected total revenue for the first twelve months of service. This calculation must assume the Company is charging the maximum rate requested in its tariff. Total revenue could be calculated as the number of units sold for all services offered multiplied by the maximum charge per unit.

Response:

The Company has projected the total revenue for the first twelve months of service to be \$116,226.

Request No. 2:

Please provide the projected value of total operating expenses for the first 12 months of service.

Response:

The Company has projected the value of total operating expenses for the first 12 months of service to be \$132,039.

Response No. 3:

Please provide the projected value of all assets to be used to provide telecommunications services to Arizona customers for the first 12 months of service. Please be aware that assets are not limited to plant and equipment. Items such as office equipment and office supplies should be included in this figure.

Response:

The Company has projected the value of all assets to be used to provide telecommunications services to Arizona customers for the first 12 months of service to be \$1,098,500.
